

I am writing today to strongly urge you to step in and prevent the airing of the right-wing propoganda hit-piece titled "Stolen Honor." This is not a documentary as it is being billed, but simply a 90 minute uninterrupted political commercial being aired for free on millions of television sets. This is surely political speech. Please make it operate under the same rules as other speech by requiring the creators of this piece to pay for the airtime and/or allow for equal time to the Kerry campaign. Thank you for your consideration.
